

Communications Intern

Brussels, 28th June 2010

UNIFE, the European Rail Industry, is looking for an intern in the Communications Unit. The candidate will assist in organising events, daily press work, maintain and editing UNIFE publications. He/she will report directly to the Head of Communications.

The successful candidate

- is absolutely fluent in English language written and spoken
- Both French and German language are an additional asset
- holds a University degree in Communications / Politics / other Social Sciences
- has some experience in event organisation
- a sound understanding of the EU environment
- good organisational skills and the ability to work independently

The terms and conditions of this internship contract are subject to Belgian law. The successful candidate will have to obtain student status accordingly. Remuneration is 600,- Euros per month.

Start of internship: as soon as possible

Length of term: 3 months
