

Communications Intern

Brussels, 20 October 2010

UNIFE, the European Rail Industry, is looking for an intern in the Communications Unit. The candidate will assist in event organisation and editing UNIFE publications. He/she will report directly to the Head of Communications.

The successful candidate:

- Is **absolutely fluent in English language**. Additional French and German language skills are an asset
- Is **genuinely interested in professional communications**. This is no job for prospective lawyers or lobbyists
- Has experience in **event organisation**
- Has written **editorial texts in English language** before
- Is a **well-organised, independent, hard worker**

The terms and conditions of this internship contract are subject to Belgian law. The successful candidate will have to obtain student status accordingly. Remuneration is 600,- Euros per month.

Start of internship: 1 November 2010

Length of term: 3 months minimum
