### **About UNIFE**

Based in Brussels since 1992, UNIFE is the Association representing the European Rail Supply Industry at EU and international level. UNIFE gathers more than 120 direct company Members – from numerous SMEs to major industrial champions from all over Europe – active in the design and manufacture of rolling stock (i.e. trains, metros, trams, freight wagons) as well as rail signalling and infrastructure equipment. UNIFE also brings together national rail industry associations from 11 European Members States.
